Join the Largest, Fastest-growing Network of Educators Serving Kids in Need

First Book supports educators throughout North America serving kids in need with affordable and free books and resources—everything from brand-new, relevant books to free educator resources, school supplies, technology, nonperishable food, and basic needs items like hygiene kits and winter coats. We're working to reduce *all* barriers to education for underserved children and families.

4 Proven Ways Members Use First Book

- 1 Spreading the joy of reading with bookshelves stocked with high-quality books to community centers, parks, playgrounds, laundromats, barbershops, and anywhere else children can find them.
- 2 A closet stocked with basic needs items like hygiene kits and winter coats that children can access when they need them.
- 3 Building or refreshing classroom libraries with diverse titles so that children can see themselves in the stories they read and learn about others as well.
- 4 Encouraging families to participate at Back-to-School nights and other events by giving families who attend a book to add to their home libraries.
