MISSISSIPPI IMPACT STORY

The Barksdale Reading Institute works to improve the overall quality of public education in Mississippi through strategic literacy initiatives and providing professional development to teachers and administrators. First Book works closely with Barksdale supporting community partners, such as Reach Out and Read Mississippi and the MS State Department of Education, and strengthening their work empowering parents to work on school readiness skills in the home. As part of an exciting initiative with the Mississippi Children's Museum, First Book also specially curated curriculum-aligned titles for use in educator professional development throughout the state.
