UTAH IMPACT STORY

First Book worked with AFT Utah to provide almost 14,000 books to support bilingual education in Salt Lake City and Weber, Utah. The program primarily focused on supporting and expanding the Latinos in Action program, which offered an asset-based approach to bridging the graduation and opportunity gap for Latinx students. The goal of the program is to work from within the educational system to create positive change. The program operated on a year-long elective course taught by highly-qualified teachers at the middle school, junior high, and high school levels.
