### VERMONT IMPACT STORY

First Book provided the opportunity to put age-appropriate books in the hands of young children living in homes with limited reading materials. The Fletcher Free Library's Burlington Kids Read (BKR) program utilized First Book to provide books directly to children and support providers and educators. This opportunity substantially boosted three of the Library's early literacy programs: 1,000 Books Before Kindergarten (1,000 Books), the Early Literacy Outreach Program (ELOP), and the Summer Challenge Program (SCP).
