

BULK BOOK ORDERS

BOOKS AT DEEPLY DISCOUNTED PRICES

First Book has negotiated discounted purchasing agreements - often 50-75% below retail listing - with most major children's book publishers in the U.S. to provide programs reaching children and families in under-resourced communities with highly affordable pricing. First Book can place and manage customized orders directly with publishers, **for 5,000 or more books**. Prices of books through the bulk order process may not be the same or lower than on the First Book Marketplace. See terms below and talk with your First Book contact to learn more.
